BESTE AUTO-LIEFHEBBER,

Voor u een speciale catalogus met daarin de unieke verzameling van ruim 3000 modelauto's van één toegewijde verzamelaar! Volgens de miniatuurauto club NAMAC is deze verzameling "misschien wel één van de grootste in zijn soort in Nederland."

Enkele kenmerken van de verzameling:

- De meeste modellen zijn in *excellent* tot *mint* kwaliteit en nagenoeg alle met originele doos.
- Unieke verzameling met hoge mate van diversiteit in leeftijd, merk en fabrikant.
- Primaire schaal 1:43.
- Bijzondere modellen, waarbij unieke (slechts 1 ex. gemaakt)!
- Creatieve verzamelaar die zelf ook hoogwaardige kits bouwde.
- Soms professionele aanpassingen van reguliere modelauto's.
- Belangrijkste merken: Jaguar, Aston Martin, Bentley, Porsche, Mercedes, Alfa Romeo, Maserati, Nissan, Ford USA, Chevrolet, Holden.
- Belangrijkste fabrikanten: AMR, BBR, ABC Brianza, Spark, Matrix, Ignition, Tecnomodel, Exoto, Heco Modeles.

Beschrijvingen en waarderingen

De modelauto's zijn met uiterste zorg en nauwkeurigheid beschreven. Aanpassingen door de verzamelaar staan vermeld als *customized*. De waarderingen hebben betrekking op de staat van het model én het doosje. Toch kan het zijn dat wij bij de verkaveling iets over het hoofd hebben gezien, bijvoorbeeld een aanpassing door de verzamelaar. Daarvoor geven wij geen garantie; wij bieden de auto's aan in de huidige staat.

Meer afbeeldingen in de online catalogus!

In deze bladercatalogus ziet u per kavel één afbeelding. In de online catalogus hebben wij bij de meeste modellen meerdere foto's voor u klaar staan. U kunt deze afbeeldingen tevens vergroten, downloaden of delen. Mochten aanvullende foto's gewenst zijn, kunt u ons dit verzoeken. Wij raden u vooral aan om van één van de kijkgelegenheden gebruik te maken.

De veiling en bieden

De veiling zal beginnen met de Australische en Aziatische modelauto's, gevolgd door de Europese en afsluiten met de Verenigde Staten.

Bieden kan op diverse manieren:

- in de veilingzaal;
- schriftelijk (post, fax of e-mail);
- via de online catalogus;
- auto-bieden via de online catalogus (het systeem zal uw bieding automatisch uitvoeren);
- live online meebieden via ons eigen biedprogramma.

Voor al het online bieden dient u zich op de website te registreren, uiterlijk 48 uur voorafgaand aan de veiling. Wilt u live online meebieden op de veilingdag, dan dient u tevens online een kredietlimiet aan te vragen.

Veel auto-plezier gewenst!

Met vriendelijke groet,

Nathan Bouscher
Directeur

DEAR CAR LOVER,

In front of you is a special catalogue with a unique collection of well over 3,000 model cars from a single owner! According to the Dutch miniature car club NAMAC "possibly one of the largest ones of its kind in the Netherlands."

Some features of the collection:

- Most models are in *excellent* to *mint* quality and almost all with the original box.
- Unique collection with high diversity in age, marque and manufacturer.
- Primary scale 1:43.
- Extraordinary models, including unique ones (only 1 ex. made)!
- Creative collector who built high quality kits.
- Some professional customizations of standard model cars.
- Most important marques: Jaguar, Aston Martin, Bentley, Porsche, Mercedes, Alfa Romeo, Maserati, Nissan, Ford USA, Chevrolet, Holden.
- Most important manufacturers: AMR, BBR, ABC Brianza, Spark, Matrix, Ignition, Tecnomodel, Exoto, Heco Modeles.

Descriptions and assessments

The model cars are described with the utter care and accuracy. When the collector has made modifications this is mentioned with the word *customized*. The assessments relate to the condition of the model and box. Yet it may be that we have overlooked something in describing, for example a modification by the collector. For this we give no guarantee; we offer the cars in the current state.

More images in the online catalogue!

In this browsing catalogue you can see one image per lot. In the online catalogue we have several photos ready for most models. You can also enlarge, download or share these images. If additional photos are required, you can request these from us. We especially recommend that you use one of the viewing days.

The auction and bidding

The auction will begin with the Australian and Asian model cars, followed by the European and will end with the United States.

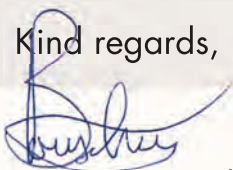

Bidding can be done:

- in the auction room;
- written (mail, fax or e-mail);
- via the online catalogue;
- auto-bidding via the online catalogue (the system will execute your bids automatically);
- online live bidding with our own bidding program.

For all the online bidding you need to register on our website, 48 hours before the auction day at the latest. For online live bidding on the auction day, you need to request an additional credit limit online.

Wishing you much car pleasure!

Kind regards,

Nathan Bouscher
Managing Director

3. Alle nummers worden de hoogst biedende toegewezen. De hoogste bidder is koper; bestaat er twijfel tussen twee of meer bidders, dan zal de koop al dan niet weder in bod worden gebracht.

4. De veilinghouder behoudt zich het recht voor de toewijzing aan hem ongunstig bekend staande personen te onthouden of hun de toegang tot de verkoopzaal te weigeren.

KAVELS

5. De veilinghouder behoudt zich het recht kavels bijeen te voegen of te splitsen, van de volgorde der veilingnummers af te wijken, kavels dan wel modelauto's waarvan de verkoop geannonceerd is niet in veiling te brengen en vergissingen bij bieding en toeslag te herstellen.

6. Alle kavels worden verkocht zoals deze in de veiling ter tafel zijn gebracht. De waarderingen hebben betrekking op de staat van het model en het doosje. De veilinghouder kan evt. reclames onderzoeken indien het desbetreffende kavel binnen 10 dagen wordt teruggezonden. Bij alle reclames moeten de kavels in dezelfde staat waarin ze zijn verkocht worden teruggegeven.

AANSPRAKELIJKHEID

9. Ieder wordt geacht voor zichzelf te hebben gekocht, de koper zal zich dus niet op zijn lastgever kunnen beroepen.

10. Het eigendomsrecht van het gekochte gaat op de koper over bij betaling, het risico bij de toeslag.

11. Indien de koper in gebreke blijft de koopprijs met de kosten te voldoen, op tijd en wijze als hierboven bepaald, is de koper verplicht tot een rentevergoeding van 1% per aangevangen maand. Alle kosten met betrekking tot de invordering van het door de koper verschuldigde en niet tijdig betaalde gemaakt, zowel de gerechtelijke als de buitengerechtelijke, zijn voor rekening van de koper. De verkoper behoudt zich het recht voor het gekochte op kosten en voor rekening van de koper te doen verkopen, zonder dat het nodig is de nalatige koper door een bevel of ander soortgelijke akte in gebreke te stellen, zodat hij door het enkele verloop van de bepaalde termijn in gebreke is, terwijl alle rechten van de koper nadat hij met de betaling in gebreke is worden teniet gedaan en de verkoop zal kunnen geschieden zonder dat het nodig is enige ontbinding in rechten te vorderen. De door zodanige herverkoop ontstane kosten, schaden en renten moeten door de in gebreke gebleven koper worden vergoed binnen acht dagen na opgave dier kosten, schaden en rente, terwijl een voordeel van meerdere opbrengst door de verkoper zal worden genoten.
